Talitha Harry

Creative and detail-oriented Visual Designer with a strong foundation in web design, digital marketing, and branding. Experienced in creating visually cohesive and user-focused design solutions using WordPress and Adobe Creative Cloud. Brings a well-rounded skill set in visual communication, problem-solving, collaboration, and clear client communication to support effective and engaging design outcomes.

Experience

2022 - PRESENT

FMG Suite, LLC

Lead Visual Designer

- Designed and customized WordPress websites using Adobe Creative Cloud and WPBakery, to reflect each client's brand, culture, and business goals.
- Streamlined and refined website production workflows, consistently delivering complete client websites while maintaining high design and content quality in a fast-paced work environment.
- Collaborated closely with other teams and clients to implement feedback, manage revisions, and ensure successful project launches.
- Performed quality checks for other designers and supported team growth by helping train colleagues on efficient design processes and best practices.

2021

Freelance

Digital Media Marketing Designer

- Designed a professional flyer for a church revival event featuring multiple guest speakers.
- Collaborated closely with the client to meet project goals while consistently meeting tight deadlines and client expectations.

2020-2022

DJM CAD & COORDINATION

Office Administrator/Estimating Assistant

- Prepared project quotes from contract drawings and maintained accurate client and account records.
- Managed office communications, including answering calls, scheduling meetings, and handling correspondence.
- Organized filing systems, databases, office supplies, and administrative errands to support daily operations.

2019

Freelance

Digital Media Marketing Designer

- Designed professional business cards for a home renovation company.
- Collaborated with the client to create branding materials aligned with their business identity.

2019

Freelance

Digital Media Marketing Designer

- Developed professional promotional media for a live musical concert.
- Collaborated with the client to create an engaging digital advertising poster.
